SENATOR MARSH: Thank you very much. Mr. President and members of the Legislature, Legislative Bill 660 permits but does not require county assessors to set an earlier date for filing the property assessment roll with the county clerk. Because the assessor can now file the property assessment roll earlier, they are also permitted to set earlier dates for the filing of assessment protests. It's the intent of this legislation to permit flexibility by extending the available hearing period so that taxpayers who wish to protest their assessment can be better served. I move for the advancement of Legislative Bill 660. If you've looked at your bill book, you're aware there was no opposition and there is a great deal of support. Thank you very much.

PRESIDENT: Is there further discussion on LB 660? If not,
